THE GUJARAT SARVAJANIK WELFARE TRUST

**EDUCATING &
EMPOWERING
UNDERPRIVILEGED
CHILDREN**

ANNUAL REPORT 2023-2024

FEW POINTS FROM THE PLATFORM OF THE GUJARAT SARVAJANIK WELFARE TRUST

In no time, a period of 22 years passed and an organization, **The Gujarat Sarvajanik Welfare Trust (GSWT)** is marching ahead to accomplish its commitments.

In the field of Education, journey from school education to college education is completed. Once upon a time, publicity for admission in different institutions under the GSWT was done. Now, the schools encounter anger of people for not giving admissions. This is a good sign that people are inclined to acquire knowledge through learning. We have to support it. Inside this report, there is a detail of activities carried out by the organization.

Similarly, new techniques are introduced day by day in the field of Healthcare. In this field, downtrodden mass of people is taken complete care of. Treatment is given to number of patients for different diseases by the Shifa Multispeciality Hospital.

Field of community upliftment is also very significant. Different programmes are implemented by the GSWT to support downtrodden people like widows, orphans etc.

Considering the importance of examinations for civil services, an institution namely Shama Center of Excellence is opened in the Al-muqaam Complex, Juhapura. Facility for appropriate library and reading hall is created in it. The students aspirants of examination for IAS, IPS, GS etc. conducted by the UPSC, GPSC etc. shall avail full facility for preparation of examination.

Students studying in paramedical courses have easy access to earning and also opportunity to serve people. For this purpose, the organization has set up institutions for B.Sc. (Nursing), Post Basic B.Sc. (Nursing), GNM, ANM and BPT.

Thus, it is the aim of the organization to give priority to charitable work in any possible field.

It is obvious that huge fund is required to carry out all these activities, Allah (SWT) accepted the philanthropist to fulfill needs so far. Use of our wealth for these needs is as good as using the wealth at correct place.

Hence, I very humbly request our philanthropists of the community to contribute generously for welfare of needy families through this organization and be a part of their Dua-e-Khair.

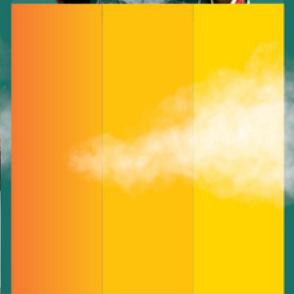

Allah will give the best reward in this world and Akhirah.
